Rev. T. B. Kilpatrick,

125 Spadina Road,

Toronto.

Dear Dr. Kilpatrick:

Yesterday on my return to the city I found your letter of the 16th of August. I will at once forward it to President Mackenzie of Dalhousie, though in a letter from him that is also lying on my table I judge that there is still time before the final appointment is made. They are waiting for an opinion by cable.

With kind regards, I am,

Yours sincerely,

President.
